Show Feeds... Done Rite!

Dave Guyer

The Show-Rite Team is proud to announce the addition of Dave Guyer to the ShowRite Show Feed Team. Dave along with his wife Lucy, and their two children Ashtin, and Nalaney, operate Guyer Cattle Company in Robinson, IL. By adding Dave to the ShowRite Team this holds consistent with ShowRites desire to have dedicated professionals that play a HUGE role in the business. This move will help our dealers and their customers with education and guidance to achieve their goals. Also with Dave aboard, ShowRite dealers will have the opportunity to market Natural Solutions products to their customers.

ShowRite is excited to announce...

the addition of two NEW show cattle feeds to the show feed lineup for Oklahoma, Arkansas, and Texas show cattle enthusiasts.

SHOW CATTLE CRUISER

This is a 13% protein, 3.0% fat, and 12.0% fiber. This feed is designed to be fed to growing steer and heifers.

SHOW CATTLE FULL THROTTLE

A low protein, high energy feed designed to be fed to finishing cattle. This is a 12% protein, 4.0% fat, and 8% fiber.

Both show feeds incorporate Amaferm and Zinpro technologies.
