INGREDIENTS:

Please refer to the product label/tag for a complete list of ingredients.

WARNING: This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.

This product has been formulated specifically for beef cattle and is not intended for other species.

PROFILE:

Beef Nutribase 400 A Plus provides the optimum in trace mineral nutrition by using Total Replacement Technology™ (TRT), which are the highly bioavailable (Bio-Plex®) all-organic trace minerals. The new formulation includes the use of Alltech technologies such as Sel-Plex®, Yes-Sacc®, Actigen and Aspergillus Oryzae, which are designed to improve gut health and keep cattle on feed.
