### Profile:

Show-Rite Rite Flex is a product that has shown great benefits in the mobility and flexibility of swine, sheep, goats, beef cattle, and horses.

This pelleted supplement is designed to optimize the overall performance of an animal by:

- Promoting healthy mobility
- Supporting motion and flexibility
- Supporting healthy bones and joints
- Supporting healthy cartilage and synovial fluid
- Supporting healthy skin
- Promoting a healthy immune system
- Contains no added copper so it can be fed to all classes of show animals
- Formulated with added selenium for supporting nerve, muscle, joint and metabolic function
