Thiamine, min.....	10 IU/LB

### FEEDING INSTRUCTIONS:

Feed Show-Rite Rite® Fiber at approximately 2% of body weight along with grain and roughage or offer Show-Rite® Rite Fiber as the sole ration. Provide clean fresh water at all times.

Hubbard does not use "Restricted-use Proteins" in their products and is in compliance with FDA and state requirements regarding the use, handling and storage of "Restricted-use Protein" products.

### INGREDIENTS:

Please refer to the product label/tag for a complete list of ingredients.

*WARNING: This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.*

*This product has been formulated specifically for beef cattle and is not intended for other species.*

### PROFILE:

Show-Rite® Rite-Fiber is a pelleted source of fiber, including corn cob, that is an effective way to develop body mass and rib shape. Show-Rite Rite Fiber provides the optimum in trace mineral nutrition by using Total Replacement Technology™ (TRT), which are the highly bioavailable (Bio-Plex®) all-organic trace minerals. Rite Fiber is ideal for keeping cattle eating and full.
