

RITE FIBERTM COMPLETE

14% Protein

2% Fat

25% Fiber

Product #61903

IMMUNE FUNCTION

Probiotics, prebiotics and organic trace minerals maintain immunity

OPTIMAL INTAKE

Palatable ingredients encourage quick, consistent feed consumption

DIGESTIVE STABILITY

Quality fiber sources support proper gut function

SEAMLESS TRANSITION

Balanced nutrition prepares calves for the next phase

Whether you're preconditioning calves at the feed bunk or dialing in one for the show ring, Rite Fiber Complete delivers. Formulated to support intake, immune health, and digestive stability, it's the one feed that fits both sides of the industry — and every calf in between.

Same Trusted Nutrition. Now in the Black Bag.
