

HERD BUILDER GOAT MON20

The perfect ration for your show goats. This product will maximize your goats potential come show day.

FEEDING INSTRUCTIONS:

Feed Herd Builder Goat Grower MON20 as the sole ration. Feed to goats along with a good quality forage and clean, fresh drinking water.

CAUTION: Do not allow horses or other equine access to formulations containing Monensin. Ingestion of Monensin by equines has been fatal. Monensin-medicated cattle and goat feeds are safe for use in cattle and goats only. Consumption by unapproved species may result in toxic reactions. Do not exceed the levels of Monensin recommended in the feeding directions as reduced average daily gains may result.

WARNING: Do not feed to lactating goats.

INGREDIENTS:

Please refer to the product label/tag for a complete list of ingredients.

WARNING: This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.

This product has been formulated specifically for goats and is not intended for other species.

Hubbard does not use "Restricted-use Proteins" in their products and is in compliance with FDA and state requirements regarding the use, handling and storage of "Restricted-use Protein" products.

PROFILE:

Herd Builder Goat Grower accelerates growth and development in doe kids, show does, donor does and breeding age bucks. Ideal ration for maintaining body conditioning and maximizing frame growth in breeding show does and bucks.

Options in a 50lb bag #22433 or bulk invoice
