

RITE TYME

Multi-species supplement for all classes of sheep and goats

FEEDING INSTRUCTIONS:

Top dress with daily ration at the rate of 2 ounces per head per day. Always supply a source of fresh, clean water.

INGREDIENTS:

Refer to feed label/tag for a complete list of ingredients. This multi-species product has been formulated for sheep and goats and is not intended for other species. This multi-species product is formulated without added copper. For optimal goat performance, an additional source of copper is required.

PROFILE:

Rite Tyme is a high protein top-dress designed to add lean muscle shape and intensify definition, while developing high quality health and immunity in show lambs. If that isn't enough, Rite Tyme will also assist in tightening hide on the lambs to give you that sleek show ring look, with a fuller muscle that will stay more hydrated.
