

# SECO-SORB

A moisture absorbent that can be used in a variety of situations.

## FEEDING INSTRUCTIONS:

**For Swine:** Hold newborn piglets over a container and rub Seco-Sorb on the pig vigorously from the neck to the tail until the pig is dry. Sprinkle Seco-Sorb on comfort mats and/or flooring to soak up moisture due to scouring, urination or water.

**For all other species:** Sprinkle Seco-Sorb on bedding and/or flooring to soak up moisture due to scouring, urination or water.

## INGREDIENTS:

Please refer to the product label/tag for a complete list of ingredients.

## PROFILE:

The quality of an animal's productivity is directly related to its environment. Reducing moisture supports a stable, healthy environment and assists in decreasing the pathogens that the animal might be exposed to. Seco-Sorb is a high quality, ready-to-use moisture absorbent that reduces the potential for growth of bacteria, mold and fungus. Seco-Sorb can be used in a variety of building types and animal species.

## GUARANTEED ANALYSIS

Key Functional Components:  
Mineral absorbents, vegetable absorbents,  
Zinc and essential oils.
